Rules and Scoring

Scoring: Record the actual strokes for each player on each hole. Both carts should keep score for all 4 four players in the group, and then verify accuracy after round. After round, enter scores in website for group and turn in cards to scoring committee. Make sure scores are recorded accurately. The max score per hole is limited to a triple bogey (par + 3). No mulligans.

Ball Movement: If not on the green, players may use one (1) club length relief, no closer to hole. Relief cannot improve lie type (rough to fairway, etc) and cannot bring ball out of a bunker, penalty area (red/yellow markings), or in play from out of bounds.

- Balls are considered "out of bounds" if the full ball is outside of the boundary line established by two (2) nearest white stakes (see page 5). Players must take a drop if a ball is OB unless course rules supersede. If course rules allow free OB relief, the ball must be found. Any lost ball, OB or otherwise, incurs a penalty stroke.
- If a ball lands in a bush or tree, club length relief may be used if the ball is found and verified.
- If a cart path interferes with a player's stance or ball position, player has choice of 1 club relief on either side of path.

Drop Scenarios: A one (1) stroke penalty is used in all drop scenarios for penalty areas, lost balls, out of bounds, and unplayable conditions. Use designated drop areas if marked by course. Otherwise, players may drop anywhere behind the resulting ball position no closer to the hole (see page 5).

- For lateral areas, the drop area extends into the fairway. For areas around and over greens, drop at first playable position on a line to flag from where the ball landed. Players may also elect to drop at the last played position.
- If a player hits into a penalty area and there is no adjacent playable area, the player must drop on the entry side of penalty area unless there is a marked drop zone.

Bunkers: Players may lift, rake, and place in bunkers within a club length. Do not move balls out of bunkers unless course rules dictate otherwise.

Putting: Putts are considered "gimmees" if the ball is "in the leather" of a putter or conceded by other non-team members in the playing group. Conceded putts should be made by group consensus. Any dispute will require the player to attempt the putt for score.

Pace of Play and Etiquette:

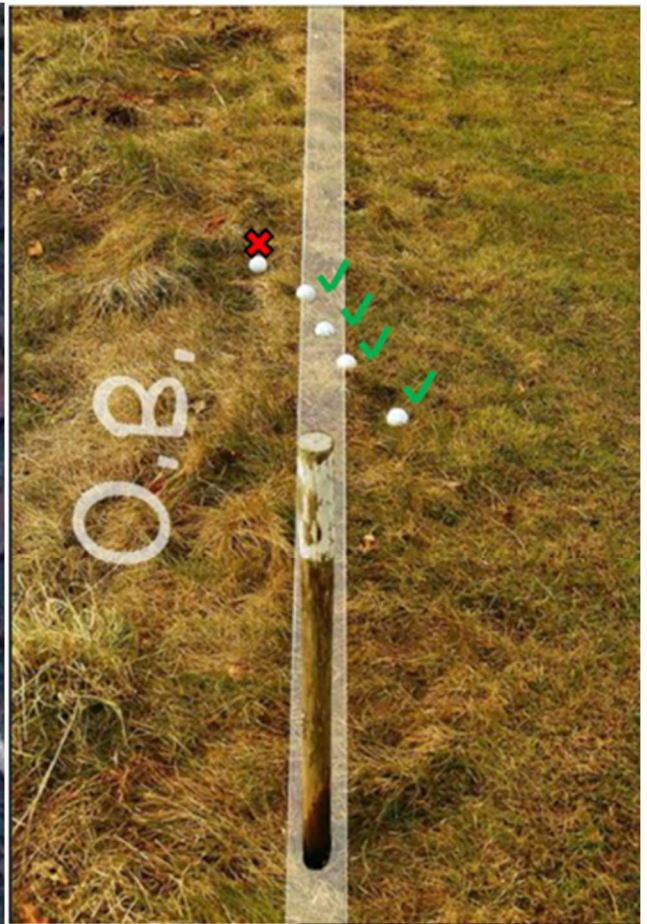

- Play "ready golf" tee to green and "honors golf" on the greens.
- Limit time for ball searches (1-2 minutes at most).
- Play your shot before assisting other players looking for balls.
- Be respectful to your playing partners.
- Repair divots and take care of the course.

Player Roster

Handicaps are derived from score database maintained by Scott Armstrong. Each player's handicap is the weighted average STP (strokes to par) of all Pinehurst rounds, multiplied by 0.85. Newer rounds are weighted higher than older rounds. Handicaps are updated after each round.

Bryan Park Round (Early Bird)

The Early Bird round of past years is now an established part of the trip. 20 of the 24 players are expected at Bryan Park on Thursday Aug 20th.

5 tee times have been reserved starting at 9:55 AM for the Champions Course at Bryan Park. The tee splits are 10 minutes apart.

Competition Format

The early bird match will consist of 2 player teams, selected by roster snake draft. Team Score = combined strokes – combined handicaps. Tie breakers will go to the card for highest handicap holes, if needed. Top 5 teams in the money.

Bryan Park Teams					
Team#	P1	P2	HC1	HC2	HC Total

10	Bob	Richard	18.0	19.6	37.6

Weekend Competition

The weekend competition is based on the rounds played Friday – Sunday and consists of 4 Man Team Points, CTPP, and Best Net (daily and overall). Skins will be optional, get with Uncle D on the money. We'll use the competition spreadsheet for tracking all competitions.

Team Competition: Players are seeded from 1 to 24 for each round. The first round order is based on handicap. Subsequent round seeding is based on point total of previous day. Teams are selected using a snake draft system. After the round, teams will be ranked by highest combined points of the four players. Tiebreakers are based on total combined strokes and scores on highest handicap holes if needed.

Team Point System

Triple	0	Birdie	5
Double	1	Eagle	8
Bogey	2	Hole-One	10
Par	3	Albatross	10

Closest to the Pin: The player who gets closest to pin on each par 3 hole wins the award. Balls on the putting surface are judged first and take precedence (even if further away from hole than a ball off the green). If no one hits a green, then the closest ball to the flag wins it.

Best Net Score: The player with the lowest net score (raw score - handicap) will win an award each day. Additionally, the top 5 cumulative net scores for the weekend will win an award. Tie breakers to be settled by best score on highest handicap hole(s).

Skins (optional bet): Skins are awarded to a player who gets lowest score on a hole for the entire group of 24 (or the number of participating players). Typically, the number skins range from 3 to 8 per round. The total skin money for each round is \$5 x number of players. The skin award per player is total pot divided by the number of skins in the round. Players can win multiple skins in a round.

Friday Teams (subject to change based on handicap adjustments from BP round):

Team	Player A	Player B	Player C	Player D
1	Brad Tribble	Mark Lehmann	Bob Howell	Shane Lindsay
2	Matt Martin	Ryan Martell	Dennis Rust	Jack Crandall
3	Josh Brown	Wade Brown	Richard Chewning	Wes Hart
4	Paul Root	Tim Chewning	Don Rust	Dennis LaPrade
5	Brooks Gentry	Scott Armstrong	Brandon Dawson	Larry Harrison
6	Cody Campbell	Mike Nance	Travis Saunders	Tim Saloka

The following table shows the competition sheet format. Each player's score on each hole is entered in the sheet, the point values are calculated in the right-most columns. The player order shown below is subject to change slightly with updated handicaps after Bryan Park round on Thursday. Teams will be published on email and/or text messages each evening.
